

# An Unemployment Program Uniquely Designed to Outperform

---

**Our outcomes-based program is redefining expectations of unemployment outsourcing.**

## **Cost reduction from our program outperforms**

- Experience up to **40%** or more in reduced unemployment costs
- Lower unemployment tax rates by up to **75%**
- Apply savings to offset turnover costs, increase profitability or fund core initiatives

## **Client service from our program outperforms**

- Receive comprehensive, end-to-end claims administration
- Obtain cross functional coordination with HR, Payroll and Finance, and across HQ and remote stakeholders
- Review impactful reporting on cost savings, tax rate reductions and progress towards forecasted goals
- Assess cost analysis of claims data and recommended solutions

## **Claim response from our program outperforms**

- React quickly and effectively to win early at the front end
  - Address each claim with a thoughtfully prepared argument that's customized to case facts and current law
- 

# An Unemployment Program Uniquely Designed to Outperform

## Outcomes pricing of our program outperforms

- Derive fees off savings generated from lower costs and taxes
- Choose either an all performance-based structure or a hybrid format that includes a monthly fee plus performance bonus
- Reduce risk and align incentives under either fee structure

## Staffing of our program outperforms

- Receive expertise in State & Federal employment laws
- Benefit from highly trained and experienced claim professionals
- Gain from credentialed CPAs who engage in client projects

**Our program is designed to go beyond expectations. It's designed to outperform.**

## About UC Alternative, Inc.

UC Alternative, Inc. (UCA) is an outsource provider of an outcomes-based unemployment cost reduction program. Our unemployment program is designed to deliver tangible savings, not simply process paperwork from claims. Please contact us so we can lower your costs and generate savings.
